

Adams Idea Golf Clubs Available to Rent at McCleery

The New Adams Idea set is composed of three long-hybrids (3-5), two hybrid-iron combos (6-7) and three extreme perimeter-weighted short-irons (8-PW).

The clubs have an upside-down shape, giving them more contact space on the bottom than on the top.

The crown and sole of the hybrids have the same vertical channel found in the recently revived Adams Tight Lies fairway woods. The middle- and short-irons feature a 270-degree slot, which wraps around the toe.

The Idea Complete Set that is available for rent at McCleery is everything you need for the course, now with their patented and game-enhancing slot technology going through the set. Everything from the easy to hit driver and tight lies metal fairway woods to the hybrids, irons, wedges – this set will make the game more fun and enjoyable for you. Top it off with a Yes! putter, featuring C-Groove Technology, and this complete set is above all others.
