## Our Very Own James Harper Wins at Rivershore.

McCleery Golf Course Professional James Harper shot a second straight round of 69 to win the 2014 PGA of BC Seniors' Championship by two strokes over Dean Claggett of Two Eagles Golf Course & Academy.

The title was decided on the 17th hole, the tough par-3 where Claggett couldn't get up and down from the front left bunker while Harper made par.

Harper would add some insurance on the 18th by making birdie to win by two strokes.

James credited his wife, Josephine Mirandolle, with not only caddying for him, but supporting him in his golf dreams.

James knows how important that support is to a Golfer, having come from a family of well-known golfers from the Nanaimo area. James has been a member of the CPGA since 1987 and offers his students years of expertise he has gained during this time, along with his support and professional instruction to help any student from beginner to advanced levels.

Contact James today and book your lesson with a PGA Champion.
